

## "On the Beat" with Bron Umbras, Acting OIC Mundijong Station

Hello to all of our ewatchers,

The month of August 2014 has seen a total of 174 incidents recorded for the Mundijong sub-District, with our local staff attending to about 430 tasking matters. This has been an increase from the previous couple of months and this encompasses a variety of both crime and general incidents, including traffic crashes, burglaries, domestic violence, stealing and drug related activities.

We received 60 crime or traffic related incidents for Byford, 15 for Oakford, 12 for Wandi, 10 for Serpentine, 9 for Jarrahdale, 7 for Mundijong, 8 for Anketell, 9 for Cardup, 10 for Casuarina and a few in remaining areas, with the remainder of the total being for general incidents.

We continue to receive good support from the Traffic Enforcement Group (TEG) in conducting patrols and speed enforcement activities in our residential streets, with Byford and Serpentine being the most recent areas visited last week.

Unfortunately despite our efforts, there have been six serious traffic crashes in the last two weeks. Three of them occurred in Byford, with a red Holden Commodore utility crashing into a power pole along the stretch of businesses on South Western Highway, a silver Toyota Corolla hatchback crashing into a tree just north of Kiln Road and two cars colliding on Abernethy & Warrington Roads. Another vehicle crashed into a tree along Kingsbury Drive, Jarrahdale and two cars collided on Anketell Road where it meets the Kwinana Freeway. On all of these occasions occupants of the vehicles were either air lifted by the RAC helicopter or taken to hospital with substantial injuries.

The 'hot spots' for burglaries are Byford (15), Wandi (5) & Anketell (3), with our efforts directed

towards Byford, who have had a number of businesses or community buildings broken into, including the BMX Club and Motocross Club. These have been occurring during the night, usually in the early hours and we are receiving additional support from Armadale Police to catch those involved.

Our station has undergone some recent background changes, including the adoption of the new policing model successfully operated in the South East Metropolitan Police District and launching into social media with the opening of our station's Twitter account.

We will be forwarding a Community Release shortly, which will outline our efforts to further connect with our community using social media and provide improved ways you can contact us and provide/receive information, so that we can keep our officers on the road where you need us.

As a preview to this release please go onto our WA Police website <http://www.police.wa.gov.au> and select 'Online Reporting' in yellow, and have a look at the various online options to report and follow up on certain matters, including reporting hoon driving occurring in our community.

We have also released our station email address (see link below) as another good way of contacting us for general inquiries, requests for patrols, passing on information or trying to make contact with a particular officer, especially when we all work different hours and shifts each week. We can advise you when that officer is next working and pass on your email for that officer to contact you and follow up on your matter.

## Can You Help ? (Unsolved Crime)

**BYFORD** - Last weekend on either the 23 or 24 August, a 254 Mustang Yellow Bobcat was stolen from the road reserve in Mead Street (directly opposite the Serpentine Jarrahdale Community Recreation Centre).

The bobcat was located inside a fenced area and tracks at the scene appear to indicate that the bobcat was driven across an open field and then loaded onto a truck.

If you saw anything suspicious regarding this crime with the Mead Street area last weekend please call Crimestoppers on 1800 333 000 or Mundijong Police on Tel. 9526 1900.

## Missing Terrier

Mark (a concerned local resident) and his young family were devastated to find that their pet

terrier dog had been stolen from their fenced property. Mark advised that he had reported the issue to the Police and that he was aware of another two terriers who had also been stolen within the Shire's boundaries.

If you see any suspicious vehicles trolling your street, obtain the registration number and call 131444.

## ewatch/Neighbourhood Watch

Neighbourhood Watch and ewatch volunteers assisted local Police and the Shire's Community Services team on Saturday 16th August in promoting both ewatch and Neighbourhood Watch within our community.

Volunteers signed up 60 new ewatch members.

The next Neighbourhood Watch meeting will be held on Thursday 25th September in the Committee Room of the Shire of Serpentine Jarrahdale, 6 Paterson Street, Mundijong at 6.30pm.

### Neighbourhood Watch Forum in Byford - Thursday 30th October 2014

In October Jenny O'Brien the WA State Coordinator for Neighbourhood Watch Head will facilitate a Neighbourhood Watch meeting in Byford to encourage membership from Byford residents.

Date and Time : Thursday 30 October 2014 at 6.30pm

Venue: Byford Central Community Centre,

Cnr. Plaistowe Blvd. and Portwine Street, Byford

All welcome.
