## "On the Beat" with Senior Sgt. Mike Newman, OIC Mundijong Station

Hello to all of our ewatchers,

For the month of March 2015, a total of 169 incidents were reported for the Mundijong Police sub-District, which continues a decreasing trend from previous months. This encompasses a variety of both crime and general incidents, including traffic crashes, burglaries, domestic violence, stealing and drug related activities. The 'hot spots' for burglaries were Byford (16) , Wandi (1), Oakford (4), Serpentine and Anketell one each.

Byford had 16 Burglaries last month with burglars targeting homes under construction or sea containers on building sites. Items targeted were hot water systems, air conditioners, ovens and cook tops. I have also noticed an increases in burglaries in our rural areas with Oakford, Serpentine and Anketell figuring in the numbers. Wandi had 1 burglary during the month, however, the target was a gun cabinet where 4 firearms were stolen.

We have had some good results in the last month with forensic evidence leading us to charge a person with a burglary on the Byford Dental Clinic. The POI (Person of Interest) is currently remanded in Hakea Prison due to his bail being refused.

With the help from members of the community and staff from Meridian Security Services we have been able to successfully investigate a number of stealing offences from building sites. As a result of information received by Police we have charged a number of people for stealing offences at various locations in Byford. Those charges have been a direct result of CCTV footage assisting in identifying a vehicle of interest, information from members of the public who witnessed the offence and a traffic stop by local officers who located a quantity of stolen property in a vehicle.

There has been a number of burglaries where the offenders have entered the property through an open garage door and then an unlocked shoppers door entrance. On entering the home they have stolen wallets and keys left lying on the kitchen bench. The home owners have suddenly become aware of what has happened when they hear their vehicle being driven off. As I have said before most burglars are opportunistic and if you present them with an opportunity they will grab it with both hands. Please be more mindful of your home security. If you see something that appears suspicious report it on the 131444 number..

With Easter fast approaching we all need to be mindful of our responsibilities when behind the wheel of a motor vehicle. We have again had great assistance with patrols in our area from our South East Metro Southern Response Team based in Armadale and the dedicated Traffic Enforcement Group in the Byford area with targeted patrols and traffic actions targeting speeding motorists, drink drivers and those using

mobile phones.

Stealing from parked cars in the newer residential areas in Byford and public car parks in more remote locations such as Serpentine Falls continue to figure in our statistics. Please don't leave your valuables in the car. Secure your car in a garage where possible and lock it up.

As most of you would be aware the Comment News ran an article in the local newspaper with the headline "Dob in a Dirt Biker". This is a direct result of complaints received from the public in regards to the actions of persons riding off road bikes on roads to get to bush locations. There is an inherent danger to those riding off roads bikes on the road, and to other motorists, pedestrians and members of the public. This is an extremely dangerous practice as most of those riding the bikes are young inexperienced people with limited skills in riding on the road. I am concerned that this type of behaviour will lead to someone being seriously or fatally injured. We will be conducting patrols around the area and if you see off road bikes on the road and can direct police to where they are coming from please contact 131444 and report the matter. We will follow up with a visit to the address and take appropriate action.

I have just recently split our police district up into 2 teams at the Mundijong Station. Each team has the responsibility to monitor any inquires or queries for various suburbs.

**Sergeant Charlie MOYLAN** and his team are responsible for the following suburbs: **Casuarina, Oakford, Anketell, Mardella, Hope land, Jarrahdale, Serpentine and Oldbury.**

**Sergeant Bron UMBRAS** and his team are responsible for the following suburbs: **Byford, Darling Downs, Cardup, Karrakup, Whitby and Mundijong.**

You can contact them on 0466 318 128 to supply them with information, answer queries or to arrange an appointment to meet with them. The phone will not be answered 24 hours a day, but rest assured, if you leave a message we will get back to you. You can also email the Mundijong Station
