"On the Beat" with Senior Sgt. Mike Newman, OIC Mundijong Station

Hello to all ewatchers

For the month of November 2014, a total of 137 incidents were recorded for the Mundijong Police sub-District. This continues a decreasing trend from previous months. This encompasses a variety of both crime and general incidents, including traffic crashes, burglaries, domestic violence, stealing and drug related activities.

The 'hot spot' for reported incidents was Byford, where we received an increase to 70 crime, traffic or general incidents, (10) in Oakford, (9) traffic related incidents in Anketell, (8) in Cardup, (7) in Wandi and a few for our remaining areas, with the remainder being for general incidents.

The 'hot spots' for burglaries were Byford (8), Wandi (3) and Oakford & Oldbury (1) each. We have continued to achieve a downward trend in the total monthly attempted or actual burglaries, across our 15 suburbs/areas, from (44) in August, (25) in September, (19) in October and to now (13) this month.

With the arrival of the summer weather and a possible increase in reported incidents in Byford, we will be focusing on increased patrols with the continued assistance from our South East Metro Southern Response Team based in Armadale and the dedicated Traffic Enforcement Group.

We have noticed an increase in stealings from parked cars in the newer residential areas in Byford and public car parks in more remote locations. Don't rely on trying to claim stolen items on insurance, please secure your car in a garage or remove your valuables if left in a driveway, verge or car park.

A 37 year old Oakford man received a total of six months imprisonment for the burglary at Nushine Car Wash in Byford on 22 September 2014. He had another alleged burglary in Karrakup on 19 September 2014. He was remanded in court until 16 December 2014 and has been remanded in custody.

A 40 year old Mundijong man was charged with allegedly breaking into a home under construction in Byford on 4 October 2014 with stolen property allegedly found at his home during a search warrant. He appeared in court and was remanded in custody again to reappear on 9 December 2014.

A 44 year old Wandi man on bail for 27 various charges was arrested on 22 November 2014. He was refused bail and has now been remanded in custody twice to reappear on 16 December 2014.

In conjunction with the Shire of Serpentine-Jarrahdale, Neighbourhood Watch, E-Watch and the YMCA Youth Team, we held three more BBQ sausage sizzles & kids activities in Keysbrook, Mundijong & Byford. All three events were again a great success and further events are planned for early 2015.

Janice's Safety Tip of the Month

Avoid SCAMS this Festive Season

About SCAMwatch

With Christmas approaching on line shopping can be a great way to purchase presents, but unfortunately, scammers also like shopping on line - **for victims**.

How to Protect Yourself

- If a shopping site only offers you to pay by money order or wire transfer, steer clear - it's rare to recover money sent this way. Only pay via secure payment methods - look for a web address starting with 'https' and a closed padlock symbol.
- Do not click or download files in emails you receive out of the blue; especially if they are executable (.exe) files or zip files. These files are likely to contain malware.
- Regularly back-up your computer's data on a separate hard drive so this can be easily re-installed if your computer is infected by malware or ransomware.
- If you think you have been scammed, contact your financial institution immediately. If the scammer has posed as a legitimate company, you should also report the incident to them.

For more information about SCAMwatch or to report an incident to the ACCC phone on 1300 795 995 or via this link <http://www.scamwatch.gov.au/content/index.phtml/tag/scamAboutUs/>
