## "On the Beat" with Senior Sergeant Mike Newman, OIC - June 2014

Hello to all our ewatchers,

The past month has seen 142 reported incidents and the local police dealing with 322 tasking matters. Tasking matters are where the police are "tasked" to attend a location to deal with an incident. Generally they are responding to calls from the 131 444 number.

Burglaries over the past month were 29 with the "Hot Spots" being Byford (15) Jarrahdale (4) and Wandí (4). Byford also led the way with stealing from motor vehicle offences. We are still seeing a lack of security (offenders entering properties through unlocked doors, garage door left open and property being left in motor vehicles) in regards to burglaries. In many instances "crooks" are opportunistic and when we give them that opportunity they take full advantage. An example is coming home opening the roller door, leaving the door up when you go in through the access from the garage to the house, or just leaving that (access door) unlocked. Many times we have seen the crooks wander in try the door walk into the house whilst you are distracted and steal a wallet/purse/car keys and motor vehicle. It's generally all over before you even realise. Try and get into the habit of closing the roller door and keeping that access door locked at all times. Just a

few moments of your time spent on personal/home/vehicle security may well prevent you becoming a victim.

We have received a number of traffic complaints with regards to speeding vehicles, including trucks, and hooning. Resources permitting, I will deploy staff to conduct mobile patrols to detect and deal with any breaches police may observe.

We are supported from other business units within the Police force as was the case last Friday 27th June where our covert speed camera operator set up in Wright Street Mundijong. A number of speeding motorists were detected, for example, two vehicles had speeds of 115 and 122 kph recorded in the 70 kph speed zone. Those speeds which are 45 and 52 kph above the posted speed limit are totally unacceptable and as such both vehicles are the subject of seizures. This is a very costly exercise for motorists when you consider the fees for towage of the vehicle, impoundment fees, court outcomes which will include fines and terms of suspension for the drivers. A really simple solution "DON'T SPEED".

Local Police with the assistance of Vehicle Crime Unit attended an address in Wendowie Place, Serpentine last week. A Search Warrant was executed and property and other items of interest to Police were seized. Investigations will be ongoing over the next few weeks.

When you get a chance please visit WA Police web site on <http://www.police.wa.gov.au/> and follow the prompts. The site contains some valuable information on a variety of topics including how to report crime and will be of interest.

Take care and together we can make a difference.

**Neighbourhood Watch**

Neighbourhood Watch meetings are held on the last Thursday of each month in the Committee Room at the Shire of Serpentine Jarrahdale, 6 Paterson Street, Mundijong at 6.30pm. All Welcome.

Meeting dates for the remainder of 2014 are: Thursday 31st July, Thursday 28th August, Thursday 25th September, Thursday 30th October and Thursday 27th November.

### Good News Story of the Month from ewatch Member

Sherrin Roberts a resident of Graceford Retirement Village was devastated when a thief stole her Ford Festiva, affectionately known as (Little Red), from her home recently.

Sherrin reported the crime to the police and posted an article on the local Byford Community Facebook page advising of the crime. The vehicle was located the following day, but unfortunately it had extensive damage and as Sherrin was not fully insured she was unable to pay for the repairs to the car.

Offers came flooding in from the local community with help in towing the vehicle, repairs to the damaged car, and finally a free service to the car when it was roadworthy.

There are some good people within our community so get out there and get to know them. Start with your neighbours and encourage them to be part of ewatch, Neighbourhood Watch and other community initiatives.

### Contact WA Police
