PRESIDENT'S POST

I'm hoping everyone had a good Christmas and a terrific start to the New Year. I'd also like to welcome anyone who has recently moved into Wandí. We have a great community spirit here which makes it an ideal place to live.

I believe our community centre on De Haer Road is one of the best volunteer-run centres in the State. There are a variety of activities being run every day by the various clubs and groups. However, it does take some work behind the scenes by the Wandí Progress Association committee to keep the centre ticking over smoothly. If you feel you would like to join-in and help your community to be a better place, please consider becoming a committee member. Please do come along to our AGM next month, Wednesday 15 February.

One of the highlights for me last year was the installation of the playground equipment that was donated to us by the Satterley Group. It took several busy bees throughout the year by committee members to dismantle it from the original site, move it, store it and finally relocate and install it. As I am an office worker who drives a mouse around a desk all day long, I found the playground work to be diverse and challenging. Luckily I was able to learn from the experience of the other committee members and, with shovel in hand, I did my part. I know this might sound a bit cliché, but it really gave me a warm fuzzy feeling when I saw some kids playing on the gear shortly after it had been installed.

WAYNE TENTORI

MAYOR'S MESSAGE

Happy New Year and welcome to the summer edition of the Wandí Warbler.

In this edition I believe it's fitting to acknowledge the outstanding efforts of Wandí resident Steve Treeby, who has recently retired as the Captain of the Mandogalup Volunteer Bush Fire Brigade, a position he held since 1994.

Steve first joined the brigade in 1971, giving 45 years of continuous service to the bush fire service and community of Kwinana and WA. From a rural perspective I am aware that Steve has spent many hours assisting local residents in giving fire safety advice on their properties and his actual volunteer hours are in excess of 400 hours.

At our December Local Organisations Function I acknowledged Steve's efforts and thanked him formally on behalf of the Council and our community. I also made special mention of his wife, Faye Treeby, who has shared the journey with Steve all the way.

Kwinana is blessed with many hard working volunteers in all areas of our community. We have been fortunate that Steve has selflessly been one of these volunteers for such a sustained period of time. We are truly grateful for his efforts and those of his bushfire service colleagues who help to make our community safe throughout the year.

Volunteers are the reason many of our local groups and organisations can continue providing valuable services to the Kwinana community. I encourage anyone interested in volunteering or looking for volunteers to visit the City's Volunteer Centre

located at Darius Wells Library and Resource Centre. The Centre is a central place for information and advice about all things relating to volunteering.

The festive season may be behind us, but there are still plenty happening in Kwinana this month. We have free live music across the City on Friday and Saturday evenings with the Peet Summer Music Series in Wellard and Summer Twilight Concerts at Darius Wells. I hope you have the chance to also attend Kwinana's upcoming Australia Day Celebration, which will be held at the famous Adventure Park this year. Visit the City's Facebook page to stay updated about these events and more.

I also look forward to joining you once again for the 2017 WPA Annual General Meeting on Wednesday 15 February. Should you like me address any specific concerns, please feel free to advise the Wandi Progress Association secretary so those questions or areas of concern can be forwarded to me in advance of the meeting.

Enjoy the sunshine!

CAROL ADAMS

WANDI FACILITIES ROUNDUP 2016

Finishing 2015 with a new building to house some of our long term clubs and the subsequent relocation of groups to new rooms within the Wandi Community Centre was quite a job. Resolving all the issues of relocating groups, along with the entry of new groups, made 2016 a very busy year for those involved. So at the end of 2016 where are we? We have a very exciting community centre that has been generated by the WPA since its inception, housing many different clubs that wouldn't have had the opportunity to grow to the level they have without this facility.

The Woodcarvers are looking at expanding their meeting dates due to the interest in the craft and the Woodturners and Scrollsaw club are doing the same. Smithy's Boxing for fitness is looking at opening day sessions and the City of Kwinana have approached us about opening a branch of their toy library in the Clubrooms. We also have the Southern Exposure Photography Club relocating to the Clubrooms for 2017 - more information can be found in this issue. Air-brush and pin-striping courses will be offered again so members can hone up their skills.

Good use is being made of the new children's playground originally donated by Satterley Property Group and partly funded by Kwinana Bendigo Bank and the WPA. The play equipment is suited to smaller children and, being separated from the bigger playing area, makes it safer for mixed age groups.

2017 is looking good - a year of consolidation for the WPA with our main aim being a tidy up inside and outside the older buildings and the installation of dust extraction for the wood clubs in the Pavilion.

If you want to start a new club or join an existing group contact any of the committee for information on the centre.

ROD COCKS

WANDI LANDCARE GROUP

Our group tends to be a bit quiet at this time of the year – mainly because it is generally too hot to be working outside. However, it is a time when we can start to plan our activities for later in the year and we look forward to an enthusiastic person volunteering to take on the role of co-ordinator this year.

In the meantime there will be an environment themed movie night and mini-envirofest as part of the Outdoor Movie Series – at Chisham Square, Kwinana on Saturday 25 February, so make sure you keep this evening free.

SOUTHERN EXPOSURE PHOTOGRAPHY GROUP (SEPG)

Southern Exposure Photography Group is very excited to be moving to the Wandi Club Rooms in 2017. The club was inaugurated in 1981, we are a relatively small club, however, with the recent move from Parmelia to Wandi, with the excellent photographic opportunities that abound in the region, we are looking forward to growing our membership.

We meet on the first and third Tuesdays of each month from 7:00pm – 9:00pm. Our first meeting for the month is a workshop, where we encourage members to learn new techniques to improve their photography. The third Tuesday is our exhibition night where members can submit their images to be critiqued, thus assisting us to grow as photographers.

Our workshop nights are run by experts in their field, as well as some of our more experienced core members on a few of the advanced photography techniques, such as light painting, portraiture, black and white photography and abstract.

Several of our 2017 exhibition topics give us the opportunity to go out and shoot with other club members. Those who require assistance have the opportunity to learn from more experienced participants.

In 2017, we are re-introducing Junior Membership. These sessions start promptly at 7:00pm, where we will cover Photography 101 (getting to know your camera, composition tips and more - moving away from "Auto mode"). The age group for our junior members is 12 – 15 years of age. At present, we are in the process of obtaining the relevant certification for junior members, we request that parents attend the junior sessions.

Our first meeting for 2017, is an informal get together on the 17 January at 7:00pm, come along to the Wandi Club Rooms, meet the members, enjoy a chat with like-minded people. For further information, contact Lyn Osborne on 0402 942 517. The first two meetings you attend at our Club are FREE!!

KWINANA COMMUNITY BENDIGO BANK

With Christmas and New Year behind, us we are all looking forward to the year ahead. Our Bank continues to grow and, as Directors, we are planning our strategies for helping our communities to grow with us. Grants will be made available during the year so talk to our staff at Kwinana. Please continue to bring your banking across to us knowing in doing so you will be benefitting the whole community. I hope the coming year is a great year for all.

HONEYWOOD PRIMARY SCHOOL

Honeywood Primary School stage one will open for our Foundation Kindergarten and Pre Primary students on February 1. The site is looking very green with the new turf growing beautifully. The bike track and sand pits are also ready for our students. Technicians are currently finalising all the communications access points for the rooms and there are some other minor tasks to be completed but, other than that, we are just about ready!

We officially move in to our new school on Monday 16 January and will be working hard to get everything ready for our open day on Sunday 22. It will be wonderful to actually be onsite in Honeywood and be so much more accessible for our families.

MUNDIJONG POLICE STATION

Residents should be aware that Wandi and Anketell come under the Mundijong policing district. A newly built police station has recently been opened there.

With the hot weather comes the temptation to leave doors and windows open, unfortunately this also allows burglars easy access to your premises. Please use door and window locks to keep unwanted visitors out. Police also remind us to remove valuables from our vehicles before securing them.

Don't forget to ring Crime Stoppers on 1800 333 000 to pass on information. You can remain anonymous
