WANDI PROGRESS ASSOCIATION (INC.)

For all correspondence address it to: Secretary: Ken Workman 400 De Haer Road Wandu W.A. 6167 Phone No.: 0410 407 714 Email: woodborough@bigpond.com
Editor of the Wandu Warbler: Debbie Tentori Email: tomo41@iinet.net.au

The New Committee for 2017 are:

President: Wayne Tentori

Vice President: Les Whiddett

Treasurer: Amanda Marshall

Secretary: Ken Workman,

Committee members: Chris Barnes, Debbie & Rod Cocks, Debbie Tentori.

If you would like to join the Association we meet on the 3rd Wednesday of each month at the

Wandi Community Centre.

WANDI PROGRESS ASSOCIATION ANNUAL GENERAL MEETING

Wednesday 15th November, 2017

At 7.00pm to 8.30pm

At the Wandu Community Centre

302 Dehaer Road

Wandu

President's Report

Hi Everyone

Welcome to the Spring edition of the Warbler, thanks to my hard-working wife Debbie for putting this latest edition together.

As I live in Rural Wandi, I've been keeping tabs on when the wireless NBN will be available in our area. Well, to my disappointment it has now gone out to August next year, (in my last Warbler report it was June next year). As my mother used to say, "good things come to those that wait".

Last month I attended the Kwinana Industries Community Forum meeting. It was an opportunity to listen to presentations from local industries, who are doing some positive things in the area to boost our economy and local job prospects. It all sounded very promising. The next meeting will be next year and I would encourage people who are interested in what's going on in the industrial part of Kwinana to check out the web site:

<https://www.kic.org.au/community/communities-industries-forum.html>

Sad to say that while I was driving around Wandi last week I spotted a dead snake and a dead bob tail lizard on the road. It's that time of the year when the reptiles try to cross the road or just seem to lie on the road basking. I've also seen a couple of dead Quendas, (Bandicoots) lately on our Wandi roads too. If you see a critter on the road, please try to avoid running them over. They are part of the environment and they all have a job to do in the bush in the bigger scheme of things.

Whilst on the subject of critters, with the hotter weather upon us snakes are on the move looking for food. Please take care in your yards and around the house when cleaning up or moving stuff around. If it has sat there for a while, there might be something sheltering under it. Even in residential Wandi, food might be scarce in your neighbouring bush and critters might look in your back yard for food source. The message I want to give is just be careful and take care during the summer months.

Just on a final note, I'd like to thank my Committee for all the hard work they have done so far, this year. Their dedication and team work shines through in the smooth running and upkeep of the Wandi Community Centre. If you are new to the area, please check the Centre out, which is located at 302 De Haer Road. By the way, we are always on the lookout for committee members, if you would like a rewarding experience and help with your local community amenities, please contact the Wandi Progress Association.

Until next time, take care and enjoy Wandi.

Wayne Tentori
President
Wandi Progress Association

Mayor's Message

Welcome to the Spring edition of the Wandi Warbler. The weather is warming up and the wildflowers are in full bloom, a great time to visit the Kwinana Wildflower Reserve. A lot has been happening lately in Kwinana we have a lot to celebrate as we head into the summer season.

With recent elections over I am thrilled to be re-elected to the City of Kwinana for a 5th term. I'm looking forward to working with the new council as we welcome two new councillors, Merv Kearney and Matthew Rowse and congratulate Sandra Lee who was re-elected to Council and Peter Feasey as he was re-elected as Deputy Mayor.

The City's Adventure Park has now won five major awards! The City received three major awards at the Parks and Leisure Australia (WA) Awards of Excellence 2017. These awards recognise the highest calibre parks and playgrounds across the state. The Kwinana Adventure Park was named; 2017 Community Program of the Year, 2017 Playspace of the Year (over \$500k) and 2017 Park of the Year.

After winning the prestigious honour for WA, the Adventure Park was entered into the National Parks and Leisure Australia Awards in Queensland. The Kwinana Adventure Park took home; Park of the Year Award (Australia wide) and Best Playspace Award over \$500k. It's wonderful to see this amazing park recognised nationwide.

The summer season in Kwinana is kicking off with a bang. Coming 2nd December at Calista Oval we are holding the biggest and loudest event Kwinana has ever seen. The Act-Belong-Commit Rock Symphony will feature everyone's favourite rock and pop legends like never experienced before, performed by the fully-fledged, 55-piece Perth Symphony Orchestra.

The orchestra will rock Calista Oval as they perform hits from Metallica, Led Zeppelin, Nirvana, Pharrell Williams and Adele plus film classics from Pirates of the Caribbean, James Bond, Lion King and more. The Act-Belong-Commit Rock Symphony will be an unforgettable night with friends and family, the perfect way to start off the summer events season.

The Mayor's message continued

The Wandie Progress Association were given \$5000 to complete a community project and decided to hold a first aid course run by St John Ambulance. The first aid course was held 15th October at the Wandie hall facilities. 50 residents attended ranging from young families seeking first aid training on babies/infants to many people wanting to have a refresher and be able to assist in the event of an emergency. Feedback from this event was positive with attendees advising that St John were great and kept everyone engaged in the training and the experience was good.

Enjoy the sunshine everyone.

Carol Adams
City of Kwinana Mayor

**WANDI PROGRESS ASSOCIATION
ANNUAL GENERAL MEETING
WEDNESDAY 15TH NOVEMBER, 2017
AT 7PM.**

Wandi Progress Association wishes to advise we will be holding our Annual General Meeting for the period ended 30 June 2017 on Wednesday 15th November at 7pm in the Wandi Hall.

Please come along and join up, nominate for roles on the committee and get involved in your local community.

To obtain a membership form or committee nomination form please refer to our website:
<http://www.wandipprogress.com.au/> or go to page 18 and 19 of this Warbler.

Note: Since inception our year end has been 31 December however we took the opportunity under the new Associations Act to bring the year end in line with the tax year end of 30 June. For members who paid annual fees in February 2017 your subscription will be valid for 18 months until 30 June 2018. For new members your subscription will follow the new financial year from 1 July 2017 to 30 June 2018.

Community Event: St John Ambulance

Community First Aid course

Saturday 15th October at the Wandi community centre

In October we held our St John's ambulance community first aid course for the wider Anketell district at the Wandi Community centre. We had in excess of 50 residents and friends of the district plus a number of volunteers attend the community training day which was an excellent response. The event became possible after a grant application was submitted by the Wandi Progress Association Inc for \$5K made available by the City of Kwinana for a suitable community project.

Jenny Royle (Place Management Co-ordinator with City of Kwinana) attended our May meeting of the Wandi Progress Association Inc (Held on 3rd Wednesday of every month at the community centre) and provided a presentation on local funding available. Feedback provided previously to the City of Kwinana from local residents in the Anketell district identified that residents were seeking for funding to be made available to improve two key areas being, education and safety in our community. The community grant application was then submitted and in June the funding was approved and made available for the Anketell district project. The district includes the wider areas of residents from Mandogalup, Anketell, Wandi Rural and Wandi residential.

St John's Ambulance (Corporate) were then approached for a suitable date in October, being Saturday 15th, and in addition as a community co-ordinated event kindly discounted their normal fee for the 6-hour course to enable additional residents to attend.

We advertised by placing promotional flyers on our Wandri Progress Association (Inc) website page, included an article in our Winter Warbler edition then sent it out in our distribution list and updated our Facebook site.

We then also approached other local community based groups in the Anketell district to promote the event and the response from residents was overwhelming and before long we had our minimum numbers.

As with all community events there is a lot of co-ordination behind the scenes but with the assistance of our amazing WPA Inc committee members and friends/family from the district the various jobs were allocated.

On the day we started bright and early at 8.15am for an 8.30am start and had three St John's ambulance facilitators in attendance who co-ordinated the training schedule for the Community first aid program.

Everyone was welcomed and it was clear the need of the first aid training was very evident from the outset. Many attending had never had any first aid training whilst a number were seeking for a refresher course and it was great to see our community coming together and sharing their knowledge and experiences.

There was a wide range of people attending including local residents and friends covering our youth/ young families/middle age and seniors through to carers and anyone else in between who were just interested in being able to help others and themselves in times of need

The St John's ambulance facilitators were excellent and managed to keep the group going through the various sessions and covered a wide range of first aid topics.

If you are interested go to the website.....
stjohnambulance.com.au and locate the full
first aid course
content.

Some of the topics included were Cardiopulmonary resuscitation (CPR) for adults, children and infants. We also went through the DRSABCD Action plan being **D**anger, **R**esponse, **S**end someone for help Call 000, **A**irway, **B**reathing, **C**PR & **D**efibrillation. There was then plenty of opportunity to practice the theory provided and the groups went through various exercises to demonstrate the learnings. The course had an easy and informative pace with a break for morning tea (Tea/Coffee and Muffins/Cookies) and then a light lunch (Rolls) before finishing up around 3.30pm. The day was really well worth the investment in yourself and feedback from those attending found it very informative and helpful. The training skills and techniques provided were pitched at a community level to build your confidence so that you can provide some basic first aid skills where and when needed. The aim then is that hopefully this will then assist with basic skills and awareness our families, our friends, our neighbours and anyone else in the local and wider communities.

Finally, I would like to thank everyone who supported the community project including our sponsor the City of Kwinana and St John's ambulance staff but also all the volunteers that assisted with a lot of co-ordination leading up to the event and on the day

For those of you that attended from the Anketell district please let the City of Kwinana know of your feedback and if you can think of any other community based training suggestions you might have for them to consider in the future

Knowledge is Power and First aid knowledge is very powerful in our communities to help others in times of need.

How Has Wandí Changed?

I moved to Perth in 2012 to take up a job opportunity after a backpacking holiday around South America. The desire to have a slice of the suburban good life coupled with the hunt for affordable land led me to Wandí - a place most people in Perth have still never heard of! I built in Honeywood and moved in to my new home in early 2013. I kept a fairly low profile in the

community until 2014 when a call went out for residents to form a local community group in the estate. I decided to offer my expertise as an accountant and put my hand up for the role of Treasurer. At this point I had never really ventured east of Lyon Road preferring to stick to the suburban streets I knew. A fellow committee member mentioned that the Wandí Progress Association was also looking for a Treasurer and with a little arm twisting (and numerous explanations of how to get to the Wandí Hall!!) convinced me to come along to a meeting. At this point I quickly realised that there was a lot more to Wandí than just the little piece I had been driving around and a lot of great people who were passionate about the community and ensuring there were facilities available to all residents.

Fast forward a few months and the President of the WPA Wayne suggested to me I may like to join the local volunteer bush fire brigade. This led to a fair amount of head scratching as I wondered what skills a desk jockey such as myself could offer. However eventually my curiosity got the better of me and I agreed to head down to the Mandogalup brigade one evening to find out a bit more. Walking from the carpark to the station I was fairly nervous to say the least and had to keep reminding myself that I didn't have to join if I didn't want to. It turned out all my nerves were uncalled for as I walked in and was introduced to a friendly bunch who were very welcoming. I've been in the brigade for 18 months now and although the learning curves have been (and continues to be) steep with plenty of new skills to learn it is a very rewarding past-time. Aside from responding to emergency call outs we also conduct controlled burns in the area (in the picture I am torching Wayne and Debbie's block),

community events such as Neighbour Day at the Wandi Hall and the annual Christmas lolly run on Christmas morning.

Watch out for us this year from 7:30am around the streets of Wandi Anketell and Mandogalup to see Santa and get some lollies.

Since I moved to the area the size of Honeywood has more than tripled. When I arrived the only way in and out was Morwell Entrance, Lyon Road ran straight through from Rowley to Anketell and the primary school didn't exist. It's amazing how much has changed in just a few short years. It's great to see as we have grown that there is still a real sense of community and despite the urging of many of my friends to move closer to the city I can honestly say there is nowhere else I would rather live. I think my enjoyment of living here has definitely been enhanced by all the fantastic people I have met in the community and I would encourage everyone to explore the area (as it turns out the Wandi Hall is really just 3 minutes down the road!), check out all of the great facilities on offer and join a local community group.

If you have a great story please email it to: tomo41@iinet.net.au.

Bendigo Bank

Our community Bank is having its AGM at Darius Wells Thursday 23rd November and we remain on track to bringing service and commitment in supporting all our local organizations and groups. In a Joint venture with Kwinana City Council, Community Chest and Kwinana Bendigo Community Bank, we are proud to announce that Kwinana Community Funding Program which will provides financial support to community groups within the City that meet the Program's objectives in facilitating community development, has been launched. We need all your support in bringing your banking business over to us knowing that 80% of our profits will be returned to Community. Contact Ashley below and she will be only too willing to assist with any Queries you may have.

Honeywood Primary School Update

Things are getting very exciting now at Honeywood Primary School. Our new school is progressing super fast – there is turf being laid, trees being planted and carpet being laid too. It is looking beautiful. We are very lucky to have such an amazing facility.

Work has started this week on our oval and shared open space. This work is being done by Satterley.

Our enrolments are growing nicely and at the time of writing this we have 238 students enrolled from Kindy to Year 6 for 2018.

2017 has been a very special year for our Foundation Kindy and Pre-Primary students and their families. A recent highlight was our Open Night when our children were able to share their learning and their school with their families.

We are looking forward to our first Sports Day on November 1st and to our Kids Konga lessons culminating in a little concert for families on December 13th.

We also have a special fun afternoon planned for our kids to celebrate our first year at Honeywood. We have hired a giant inflatable water slide for the afternoon of Tuesday 12th December, which will be lots of fun!

The final day for students in our stage one facility is Thursday 14th December, 2017.

School starts for 2018 on Wednesday 31st January.

We have finalised our staffing for 2018 and are thrilled to welcome the following staff to the Honeywood team.

Matthew Cave, Ben Christie, Annette Frankham, Barb Henderson (Science Specialist Teacher), Wendy Horne (Music Specialist Teacher), Leah Wakenshaw, Melanie Whitfield, Cassandra Williams and Jayne Green. We hope to employ our Physical Education Specialist very soon. We are just waiting on a few more enrolments to ensure we can afford him!

We are currently completing recruitment processes for a School Officer and a Cleaner in Charge.

I know that our new staff will compliment an already impressive line-up of hard working dedicated professionals. I am really looking forward to working with them to create an excellent school and a flourishing school community.

We will soon be packing up and moving into our gorgeous new school. This will be a big job but one we are looking forward to (kind of). Our office will be moving to Windjana Rise on 15th January. We should be up and running by Wednesday 17th January all going well.

We are holding an **Open Night on Thursday 25th January from 5pm to 7pm.** This will be a chance for our families and community members to tour the school for the first time and meet the staff.

Please follow us on Facebook to see photos and updates or visit our website to learn even more about us. www.honeywoodps.wa.edu.au

FROM THE WANDI COMMUNITY CENTRE

Many of the clubs using the Wandi Community Centre as their home are now planning for a Xmas break up celebration. So many of the groups have hosted special events during the year: -

Scrollers West celebrated its 10 years at Wandi this year, the group was established in the clubrooms and expanded when the woodturners moved to the shed. They have always been an active group with many of the members working diligently on their project on Tuesday mornings in the Pavilion workshop. If you would like to see what work is completed by this groups go to their website

<http://scrollerswest.webs.com>

In September the Wandi Woodturners hosted the WA Woodturners Assoc. AGM with around 120 in attendance. The day wasn't all business with talks on design, advanced turning construction and demonstrations. The WA Woodturners Assoc. has also made Wandi its new home and they have plans to develop their state wide organisation further using Wandi as its base.

The Carvers Guild hosted a pyrography (wood burning) workshop in October for members, this focused on techniques that would enhance their carving by adding texture and patterns. Well known national woodturner/pyrographer Doug Bell from South Australia was in the West working with Collaboration WA and was the Master Craftsman instructing at the workshop.

We have two caravan clubs staying over before Xmas and a couple of weddings as well as the usual birthday celebrations from 1 – 80 years young.

Exterior painting on the verandas woodwork at the Clubrooms and Hall has just been completed and doors and frames will start in 2018. A security system upgrade has also been completed for the Hall, Clubrooms and Pavilion. The WPA has undertaken these tasks as part of our management agreement with the City of Kwinana; further work will be started in 2018.

After the vandalism to the oval a few months ago the City of Kwinana has now topped dressed the grass and its looking pretty good and once the hot weather arrives the kikuyu will grow through giving us a good surface again.

A few weeks ago, I was lucky to find a discarded syringe under the paper bark trees near the Hall carpark, it was disposed of carefully. If you use the Community Centre watch out for these objects as I know others have helped out by carefully disposing of this type of thing in the past. We sometime think we are in the bush but where there are places for people to have privacy close to amenities there is an attraction for this type of behaviour. Just be careful if you have kids wandering around. Just to add to this the City of Kwinana regularly has staff inspecting the sand in the playground and it's mechanically sieved a few times a year.

Land Care Report

National Tree Planting at Lake Magenup

On Sunday 30th July there were over 70 people who turned up for the Planet Ark National Tree Day event, and 1300 seedlings were put in the ground. A number of groups assisted on the day including the Green S team and Kwinana Cub Scouts. Also, big thanks to Les for assisting on the day.

What's Going On In Kwinana

The City will be undertaking feral animal control trapping over the next two months in the following Conservation Reserves; Belgravia Dampland Reserve, Bertram Reserve, Henley Reserve, Lake Magenup, Miller/Wellard Reserve, **Sloan's Reserve, and Wildflower Reserve.**

Dog owners must keep their dogs on a leash at all times within these reserves.

For further details please contact Environmental Services on 94390200.

Just starting out? Free coaching clinics will be held at the Edge Skatepark Kwinana Grand Opening 2.0 from 10:30am.

Sessions include: beginners skateboarding (12yo and under);
beginners BMX/Scooter (13yo and under); and
parkhour (all ages).

Registration is required on-site, get in early as places are limited.
