7. REPORTS

7.1 PRESIDENT

WT and LW attended the Kwinana Council Christmas Thankyou Volunteer Organisation community function on 5 December 2014. It was an enjoyable evening. W Tentori thanked Carol Adams via email.

7.3 TREASURER

PH circulated Treasurer's Report Dec 2014 to the committee members.

The BAS for this month was \$600. PH will book in for our annual Audit. Any other bills will need to be finalised by February 2015. The \$1000 fee for auditing has already been pre-approved.

Catherine Garlick moved that the Treasurer's report be accepted and the accounts be paid. Seconded by Janet Carr. PASSED.

1) Security System:

PH advised the committee that Satellite Security has installed the new security system into the Hall as of today, and was given assurances from Satellite Security that this new security system has the capacity to include all the new buildings due to start construction in early 2015. The systems will work together and that it is future proofed.

2) Options for Bendigo Bank

- Interest rate for our working account would be worse off at 1.12% as opposed to our current 2.60%
- Better for term deposits as rate is the same as Westpac
- PH suggestion: keep half available on call for new building

Bendigo will still cost us. If we hold off changing over, we would save \$400. The question is "Do we support Bendigo?" - this question was put to the committee. PH said his comparison is a snap shot as it stands today. This comparison attempts to quantify the potential earnings from both banks. Fees will increase with Bendigo to \$10/month. Say we invested an amount with Bendigo Bank at an investment rate of 3.05% into a term deposit; the monthly fees could be too much to be a viable option.

Decisions:

Do we:

1st Option: Pull money out of our Cash Reserve Bonus account with Westpac at 2.60%, say \$50,000 and move this amount into a Bendigo Bank term deposit account? We would need to do some paperwork for example getting our nominated signatories re-done.

2nd Option: Wait 6 months

3rd Option: Move completely over to Bendigo Bank

There is the potential for community grants if we were to bring our accounts over to Bendigo bank. If we do move we would have to do it after the Audit. A further discussion on this topic will happen in January meeting where the committee will need to make a final decision on the matter.

Les Whiddett abstained during this discussion topic due to a conflict of interest.

7.4 FACILITIES

Bookings and use of facilities continues with \$2400.00 collected as income due to a busy month from Caravans, there were 40 Caravans (a big group) and Gypsy Rovers Caravans (12 to 15 Caravans). The Hope Valley Dancers had their Christmas Party.

Water was carted in to fill the water tanks due to a large gathering of Caravaners' camping and using facilities, at a cost of \$260.

Debbie Cocks asked for \$500 to be pre-approval for maintenance.

Previous month is paid up. Gillmore College has paid in advance this Friday. Wood Carvers are also paid up. Pat McGuire – a long standing local and active community member as a fire fighter, long serving Fire Chief, sadly passed away. The service and wake will be held on Monday from 2 PM. Open to the community to attend.

DC asked if the Committee would approve the Committee to donate the cost of the hall hire i.e. hire the Hall free of charge. Debbie Tentori moved it, Catherine Garlick seconded it. PASSED.
